## ABOUT US

The passion for wood is the foundation of our company and we have expanded on that towards a complete proposition for outdoor living. With over 85 employees we work daily to create the right experience for every desire and situation with our brands Woodvision and Hillhout. We develop and produce high-quality products to ensure that outdoor living is as pleasant as possible for everyone. We are trendsetting and innovative and with a collection of approximately 10.000 products, we can proudly say that there is something suitable for all. Our extensive dealer network, which is mainly active in the Benelux but in the United Kingdom and Ireland as well, enables us to offer our products to the consumer. Through this, we hope everyone can enjoy the outdoors, preferably all year round!

**17,5 acres of storage**
